

Perspective

CONTENT IN BRIEF

All content is fully searchable, heavily cross-referenced and, where appropriate, contains time travel and editorial notes.

CONTENT OF PERSPECTIVE.INFO

In Brief

Acts and Bills

Acts of Parliament, either in their entirety or with pensions-specific provisions only. We also publish relevant Bills as they proceed through Parliament.

Statutory Instruments

Statutory Instruments (including Scottish Statutory Instruments), Explanatory Memoranda and Draft Statutory Instruments.

Public Sector Scheme Rules

Key Statutory Instruments governing various public sector schemes (Local Government, Police, NHS, Fire, Teachers and Civil Service), together with GAD guidance, bulletins and more.

Regulatory Materials

This extensive collection of regulatory materials includes HMRC Tax Manuals, TPR Codes of Practice, Accounting Standards and Guidance from a wide range of Government and other bodies.

European Union Materials

Treaties, Directives and other documents relating to pensions.

News

In addition to receiving daily news alerts by email, you can also use Perspective to browse or search across all our news articles from 1997.

Law Reports

The PBLR series is provided by Robin Ellison and covers not just UK and European cases but also select cases from foreign jurisdictions.

Pensions Ombudsman Service

This collection has the full text of over 7,000 determinations along with guidance and commentary.

Parliamentary Materials

Hansard proceedings relating to the passage of Bills through Parliament, statements, debates, written answers and Committee meetings are all featured here.

Reports, Consultations, etc

This is where you will find an extensive collection of reports and consultation documents from a wide range of Government and other bodies.

Commentary

Provided by key players in the pensions industry, our commentary can help keep you abreast of new developments and opinion.

Tax Manuals

Perspective carries a fully marked up and time travelled version of the Pensions Tax Manual (PTM) (HMRC's guidance on the taxation of pension schemes), as well as its predecessors, the Registered Pension Schemes Manual (RPSM) and the Pension Schemes Office Manual (Volumes I & II).

Other Scheme Rules

The scheme rules for Civil Service Pensions, NEST and the DWP Hybrid Schemes Quality Requirement Rules can all be found here.

Statistics

An ever-growing compilation of statistics from DWP, HM Treasury and other sources, and which include various Indices and Rates, Investment Statistics, Tax Rates and Allowances and many more.

LeGrand View

LeGrand View is produced on a regular basis and covers topics that our author, Kevin LeGrand, considers important for those working in UK pensions. Current and previous editions of LeGrand View can be accessed here. In addition, all members of the pensions community can sign up to receive complimentary copies by email.

Pension Surveys

Subscribers to our news service will be familiar with PensionSurveys, but our reports are also included on Perspective as fully searchable documents.

Your Own Documentation

You can speak to us about adding your own information to Perspective (eg scheme rules, reports, handbooks, communications).

Spotlight on Pensions

Spotlight on Pensions, written by Kevin LeGrand, is a leading source of analysis and guidance for trustees, managers, administrators, advisers and other pensions professionals. It is designed to assist such readers of all experience levels to have a thorough understanding of the issues relating to the design, administration and regulation of pension schemes. Its content will be updated regularly.
